Subject: Keep local harbor jobs

The living-wage jobs in our harbor are critical to our economy. Please keep that in mind.

The EPA proposal I've heard about may be good for the river and the fish. But I am not so sure it will be good for people, the people who depend on the river for their paychecks and to put food on the table. Please consider a cleanup that's good for the earth and our jobs.

Our harbor is a big part of our economy. Please pick a plan that is good for our workers.

Sincerely,
